Subject: Solicitation #10-B043B – Twin Outboard Engines (ReBid)

This Addendum No. 1 modifies the solicitation only in the manner and to the extent as stated herein.

I. Questions and Answers:

Q-1 Is it allowable for me to submit my bid for the requested items using my official company GSA quote sheet layout?

A-1 While you are able to submit it as an attachment, you should still complete our pricing page as well.

Q-2 Upon review of your bid number 10-B043B, Twin Outboard Engines, it states that I must complete an affidavit? Affidavit A & B do not pertain to our company; however, Affidavit C does to some extent. Affidavit C states that I will certify 100% of the work or sub-contract some of the work. Your bid request is asking for installation of the outboards as part of the bid. I am only bidding on selling you the outboards and related rigging components. Please advise me on what I need to do to comply and submit a bid that will comply with your rules, thank you.

A-2 You must turn in page 16 (M/WBE Compliance Provisions) along with whichever Affidavit you are completing. If you are supplying the item yourself and not submitting a bid on the installation or going to sub-contract out the installation to a M/WBE, then you only need to complete Affidavit C and check that on the M/WBE Compliance Provisions page.

Respondent shall acknowledge receipt of this addendum by completing this section and returning it with the Bid Submittal. Failure to acknowledge this addendum may be cause for rejection.
